---

**D D/F# G Em**  
Fare thee well, my love, my Ashokan mistress  
**D Bm Em A**  
My homeland is calling for me to come home  
**D D/F# G Em**  
I have tasted your fruit and drank from your waters  
**D A D**  
Your mem'ry forever is etched in my heart

**CHORUS: D D7 G D**  
Fare thee well to the land, friends and companions  
**Bm Em A**  
Erin is calling me home  
**D C G D**  
You have taken my heart — it's yours forever  
**A D**  
My soul will not rest 'til my body is home

**D D/F# G Em**  
And of me should you think, then think of me fondly  
**D Bm Em A**  
For naught but joy am I thinking of thee  
**D D/F# G Em**  
Though an ocean apart our love may be kindled  
**D A D**  
By stars that shine bright in the clear northern sky

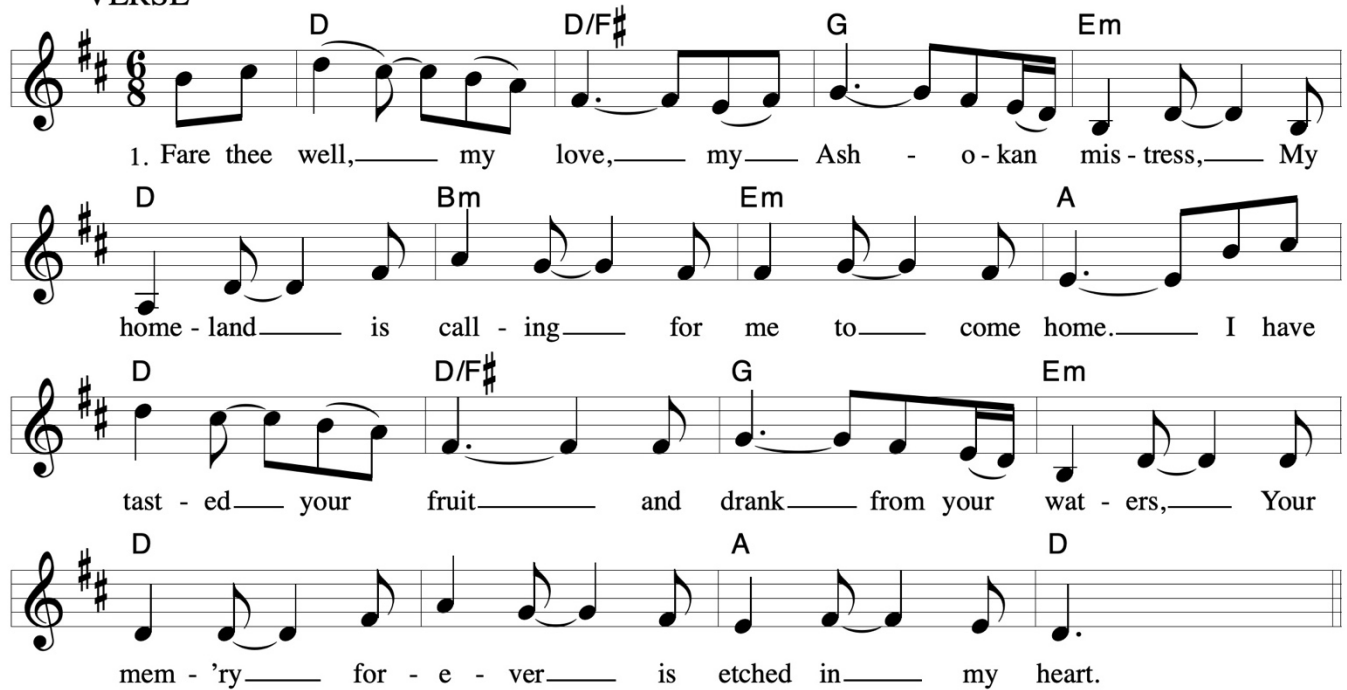

**CHORUS: D D7 G D**  
Fare thee well to the land, friends and companions  
**Bm Em A**  
Erin is calling me home  
**D C G D**  
You have taken my heart — it's yours forever  
**A D**  
My soul will not rest 'til my body is home
