Specials* refers to the Music for the Markets 2022 'Specials' (on the gertbysea.com website)

- ❖ Indicates a change in tempo and/or tune category [e.g. an air followed by a polka], and, as often as not, a page turn. To facilitate this a player will be 'elected' to 'lead' (i.e. 'set up') the following tune (usually for the first 'A-section' with everyone else joining in on the repeat).
